Ghaziabad, Uttar Pradesh, India

CAREER OBJECTIVE

Highly motivated and detail-oriented final-year BCA student specializing in the MERN stack and Java Full Stack Development. Eager to leverage strong technical capabilities and solid programming fundamentals to design secure, responsive web applications while growing professionally in a collaborative software engineering environment.

EDUCATION

Bachelor of Computer Applications (BCA)

INMANTEC Institutions, Ghaziabad, Uttar Pradesh

Percentage/CGPA: [Insert CGPA/Percentage here] | 2023 – 2026

Class XII (Senior Secondary)

Central Board of Secondary Education (CBSE), Ghaziabad, Uttar Pradesh

Percentage: 60% | [Insert Year]

Class X (Secondary)

Central Board of Secondary Education (CBSE), Ghaziabad, Uttar Pradesh

Percentage: 55% | [Insert Year]

TECHNICAL SKILLS

Languages: Java, JavaScript (ES6+)

Web Technologies: HTML5, CSS3, React, Node.js, Express.js, UI/UX Responsive Design

Databases: MongoDB, Mongoose ORM, SQL

Tools & Frameworks: Git, GitHub, JWT Authentication, Bcrypt Password Hashing

ACADEMIC PROJECTS

Task Tracker Application

Technologies: MongoDB, Express.js, React, Node.js, JWT Auth, Bcrypt | March 2026 – Present

- Designed and engineered a production-ready, full-stack Task Management application featuring isolated user-wise task databases.
- Implemented robust user authentication and session security protocols using JWT and Bcrypt hashing.
- Developed full CRUD operations, advanced priority/status filters, real-time metrics dashboards, and overdue task alerts.
- Deployed live frontend interfaces via Vercel seamlessly communicating with remote cloud API servers.

Fashion Hub Platform

Technologies: HTML5, CSS3, JavaScript, Responsive Design

- Constructed a fully responsive, modern e-commerce marketplace tailored for optimal cross-device usability.
- Programmed high-speed client-side item lists with dynamic keyword search indices and product category filtering.

AXT / Attitude X T-Shirt Shopping Platform

Technologies: JavaScript, UI/UX Design, Web Development

- Engineered an interactive online shopping and custom layout marketplace with special focus on high-fidelity user interface elements.

TRAINING & CERTIFICATIONS

- Full Stack Web Development using Java Technology – MEGA Career Institute, conducted at INMANTEC Institution, Ghaziabad (March – May, value-added program).
- Artificial Intelligence & Machine Learning – Professional Certification from NASSCOM Foundation in collaboration with IBM SkillsBuild and Capgemini.
- 18-Month Master Diploma in Computer Applications (MDCA) – Gravity Institute of Computer Technology (Achieved Grade A).

LANGUAGES

- English: Professional Working Proficiency
- Hindi: Native / Fluent Proficiency
